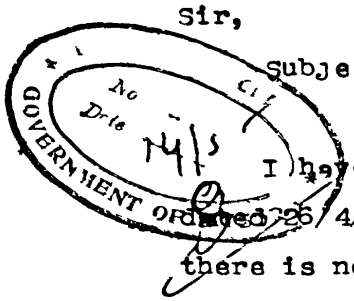
The Secretary to Government of Mysore,
Revenue Department, Bangalore

Sir,



Subject:- Payment of overtime allowance to the water supply staff at Malur Town.

====

I have the honour to forward herewith report No M.C.291/47-48 dated 26/4/48 of the President, Malur Municipality and to state that there is no water in Malur Doddakere Tank which has been reserved for water supply to the Town. At present water is being supplied from borewells and the water supply staff viz, the Operator and his helper have been deputed to work during nights also to pump out more water from the borewell as the out-turn of the labourers of the day was inadequate to meet the requirements of the town. The Municipal Council at their meeting held on 4/4/48 have resolved to pay an extra allowance of Rs 5/- per month to each as an allowance for the overtime work devolved on the water supply staff for the months of April, May and June 1948. The proposal of the Council is reasonable as some remuneration seems necessary for the additional work done by the Water supply staff. I request you kindly to obtain sanction of Government to the resolution of the Council dated 4/4/1948. The cost will be met out of the provision made during the current year's sanctioned budget under water supply expenditure.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Kolar District
